Encuentros is a summer program that takes place during four weeks in different communities in the Amazonia (Amazon), the Sierra (highlands) and the Costa (coastal region); with an option of ten additional days in the Galápagos Islands. Who qualifies for the Internship Program?

College and high school students have the opportunity to be part of the care CWB provides in Costa Rica. We welcome students of all disciplines, and encourage them to use their academic background or major to contribute to the improvement of the clinics. Whether it be painting a mural in the Casa Club, working with children in the waiting room, or establishing a new soccer program, there are many ways students can participate.
